

## XENETA SUMMIT

AMSTERDAM, NETHERLANDS  
OCTOBER 25-26, 2023

### The market is unpredictable, your success shouldn't be.

Our 7th annual customer event, the Xeneta Summit is where leaders from across the shipping world come together to exchange actionable insights, discuss real-world scenarios and debate future predictions of the global freight market.

Making sure our customers can supercharge the way they buy and sell freight, this is the best opportunity of the year to see how data and analytics can be used to expose the untapped potential of the Global Shipping, Logistics & Supply Chain Industry.

#### INSIGHTS

- Understand the current state of the market and how to leverage recent trends
- Experience how real-time data and analytics can help you make better business decisions

#### NETWORK

- Hear best practices with freight-industry thought leaders
- Meet your peers and learn the secrets of their success

#### SKILLS

- Increase your mastery of the Xeneta platform
- Learn how to make your data work harder

### FOUR SPECIALIZED TRACKS:

For shippers

For forwarders

For air freight

For ocean freight
